

Unique leading black empowered ICT and Business Company in the country! 100% BEE

REHLOHONOLO I.T & BUSINESS SOLUTIONS is a company that provides any form of Business Enterprises, Brand Promotions, Digital Marketing, ICT and Training Services to SMME's, Corporate, Government and Professionals. 2001 saw the birth of this dynamic company which started by providing Computer Sales and Repair Service. In 2004 we expanded our services to Training, Business Enterprises, Brand Promotions and Digital Marketing. We work with dynamic professionals who are passionate about producing the best results for our clients. Their hard work and dedication takes us to even greater heights.

Our growth in the industry has been accelerated by the quality of work that we have been able to provide for our valued clients from corporate right down to SMME's that are just getting started.

REHLOHONOLO I.T & BUSINESS SOLUTIONS prides itself in ensuring that our services meet your specific requirements, hence we tailor make our products and services to suit your needs.

REHLOHONOLO is a local solutions supply company specialising in Thin Client-Server-based technology and various technological communications connectivity. We have a passion for Technology & Business in that all staff are shareholders thereby not only creating job opportunities but also wealth. Our vision is to become a meaningful player in the areas of our expertise and also to be one of the top 10 BEE suppliers of I.T equipment, Services, Training and Business Solutions in the Country and Internationally
